

2. FL OZ

Drug Facts

Active Ingredients: Ethyl Alcohol 70% Purpose: Antiseptic Alcohol

Use Hand Sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

Warnings: For external use only. Flammable. Keep away from heat or flame. Do not use if it irritates more than 2 months of age or on open skin wounds.

When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Storage and use: Avoid irritation of skin or rash. There may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a poison control center right away.

Directions:

- Use enough product on hands to cover all surfaces. Rub hands together until dry. Supervise children under 6 years of age when using the product to avoid swallowing.

Other Information:

- Store between 15-30°C (59-86°F)
- Avoid freezing and excessive heat above 40°C (104°F)

Inactive Ingredients:

Water, propylene glycol, carbomer, triethanolamine.
